

**PARENTAL AUTHORIZATION AND RELEASE FROM LIABILITY FROM TRANSPORTATION IN  
STUDENT VEHICLE RELATED TO SCHOOL SPONSORED ACTIVITY**

I understand that Polaris Career Center will not be responsible for or supervise my child during any time period he/she is away from Polaris Career Center and its programs and specifically cannot be responsible for or supervise my child with respect to transportation to/from, or attendance at assemblies at associate school. I also understand that the associate school generally does not provide transportation for these assemblies and that any transportation arrangements will be made by my child or me.

With this full knowledge, I authorize my child to be released from school when he/she is invited or requested to attend assemblies at his/her associate school. I will assume all responsibility for my child during this release time from school and will not hold Polaris Career Center, the associate school or its employees responsible for any harm which may occur during this time.

The right to leave school property for a school-sponsored activity is a privilege and may be suspended or revoked if a student violates any Board of Education policies, provisions of the Student Code of Conduct, or State or local laws, including traffic rules and regulations, while he/she is on school property or off school property. All provisions of the Student code of Conduct and Board of Education policies shall be in effect while the student is off school property and participating in the school-sponsored activity, and the student is expected to comply with all such rules and regulations. Violations of such rules and/or regulations may result in appropriate disciplinary actions.

The student's use of motor vehicles to travel to and from a school-sponsored activity is a privilege and involves an assumption of liability on the part of the student and his/her parents, and a responsibility in the care of property, in the observation of safety rules, and in the display of courtesy and consideration toward others. The Board of Education, its officers, employees, representatives and agents shall not be responsible for motor vehicles which are lost, stolen or damaged, and/or for injury, death or loss to persons or property resulting from a student's operation of a motor vehicle on school property, while traveling to or from the school-sponsored activity, or while participating in the school-sponsored activity including but not limited to riding in another student's vehicle.

A student authorized to drive his/her private vehicle off school property for a school-sponsored activity shall be solely liable for any injury, death or loss to person or property related to or caused by his/her driving and his/her insurance shall be the primary insurance in any accident.

A student authorized to drive other students off school property for the school-sponsored activity shall be solely liable for any injury, death or loss to person or property related to or caused by his/her driving and his/her insurance shall be the primary insurance in any accident.

If a student is authorized to ride in another student's car off school property for a school-sponsored activity, the student driver shall be solely liable for any injury, death or loss to person or property related to or caused by his/her driving and the student driver's insurance shall be the primary insurance in any accident.

If my child has been given permission to drive his/her private vehicle for a school-sponsored activity, I represent that my child has a valid driver's license and is covered by motor vehicle insurance.
